BENEFITS GUIDE

This publication contains important information about your employee benefit program.

Please read thoroughly.

Dear Team Boyd,

As stated in our company mission statement “We will always strive to be the customer-preferred provider of quality products, superior value-added support services, and innovative solutions in all markets we serve”. Likewise, we have always taken considerable steps to ensure we provide the same quality and service to our employees. We are proud to continue to offer our employees and their families an exceptional employee benefit and wellness package. As a company we have programs in place to help keep our insurance costs and premiums at or below industry averages. For 2024, due to rising costs in the medical industry, we will have a small increase to our medical and dental insurance premiums. These increases are well below industry average premium increases. We will continue to offer the same three medical insurance plans that we offered in 2023 – two High Deductible Health plans and a PPO Plan with a co-pay.

For those employees that elect one of the High Deductible Health Plans they have the option to contribute to a Health Savings Account (HSA). In 2024, for employees who contribute to a Health Savings Account, the company will contribute up to \$520 per year, which is a match of up to \$20 per pay period. This is a new benefit being added for 2024, based on employee feedback for additional savings options.

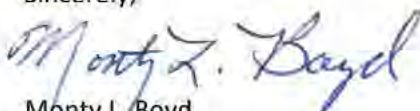

In order to continue to try and control rising healthcare costs, we will continue our partnership with Aduro, for our Wellness Worx program; their wellness foundation encompasses the whole wellness space – fitness, nutrition, coaching, mental and financial wellness, which has made positive impacts on our costs and our employees' lives. The same as last year, employees will be able to earn up to \$120 in medical premium discounts per month. In addition, employees and their spouses can earn up to \$125 in gift cards through the Wellness Worx Program, along with opportunities for various prizes throughout the year. Please make sure to review the details of our Wellness Worx program in this guide and make sure you engage and fully participate in this program to continue to see growth and development on your wellness journey. We will also continue to offer Anthem’s Preventive Rx program for maintenance medications.

Even as healthcare costs continue to escalate for dependent spouses on our policy, we have made the decision to continue to offer insurance coverage for spouses. As in prior years, all spouses who are covered on the company-provided healthcare plan will be required to participate in the Wellness Worx Program, to receive the maximum discount. We will continue the spousal surcharge for employees whose spouse is eligible for medical coverage through their own employer but have elected to enroll in our company-provided healthcare plan. This continues to be a necessary measure to encourage those spouses eligible for healthcare coverage through their own employer to share the cost of their healthcare with their own employer. However, the spousal surcharge did not increase for 2024.

This annual Benefits Guide has been prepared to give you an overview of the various benefits that are available to you. Please take the time to read through and ensure you make an informed decision for you and your family. Our employee benefit offerings continue to be an integral part of our overall total compensation package and one I am very proud to offer.

As we plan for the future, I am confident we will remain a desirable employer to work for and will continue offering a competitive benefits and compensation package to support this goal.

Sincerely,

Monty L. Boyd

Chief Executive Officer

Eligibility

You are eligible for benefits on the date you meet the following requirements.

- You are a regular, full-time, active employee whose regularly scheduled work week is at least 30 hours, and
 - You perform your duties for your employer at your employer's business establishment, or other location to which your employer's business requires you to travel
 - You have completed the benefits eligibility period, generally 30 days

Dependents are eligible for benefits if they meet the following requirements.

- They are a lawful spouse of a Company employee provided no legal separation or divorce has been obtained (if spouse is eligible for coverage through their employer, a spousal surcharge will apply to the medical premium); or
- They are children of a Company employee who are under the age of 26 (this includes stepchildren, legally adopted children, or children under an employee's legal guardianship)

Dependents are covered until end of month of their 26th birthday.

IRS Section 125 Tax Savings and Qualifying Events

The Company's medical, dental, and vision plans qualify as "pre-tax" plans based on IRS regulations. These are commonly known as "Section 125 Cafeteria Plans." Medical, dental, and vision premiums are deducted from your paycheck before taxes are calculated, which results in a tax savings for you.

Per IRS regulations, pre-tax 125 plans can only be changed, added, or dropped by individual employees at open enrollment, or upon a qualifying event, for which you have 30 days to request enrollment.

The IRS defines a qualifying event as the following.

- Birth/adoption
- Change in insurance coverage
- Death in the family (spouse or dependent)
- Dependent child reaches limiting age of 26
- Divorce/annulment/legal separation
- FMLA-related leave
- Marriage
- Spouse loss of other coverage

Frequently Asked Questions

Am I required to participate if I am on the Boyd Health Insurance plan?

For both Employees and Spouses to receive their maximum points towards their discount, they must participate in wellness. Simply by participating in the Biometrics Screening and Human Performance Assessment, you will already be eligible to start saving on your monthly premium!

How do employees get the full \$120 per month premium discount?

The monthly premium discount is determined by the levels completed and points earned in the Wellness Worx program:

1. Complete the Biometric Screening and the Human Performance Assessment to complete Level 1 and earn \$70 towards your premium discount.
2. Fall within the National Standard ranges in your screening results for each risk factor and earn \$10 for each, up to \$50.
3. If your risk factors do not meet the National Standards, you may earn additional dollars towards your medical premium discount by completing Reasonable Alternative Activities.
4. You will earn up to \$120 per month premium discount when you have completed both levels 1 and 2.

Risk Factors	National Standards	Dollars
Blood Pressure	<120/<80	10
Glucose (or A1C)	<100	10
Total Cholesterol: HDL Ratio	Males <4.5 Females <4.0	10
Triglycerides	<149	10
BMI or Waist Circumference	<25 or Males <40" Females <35"	10

Will I receive a discount if my spouse does not participate?

Spouses and employees on the medical insurance who choose not to participate will earn \$0. If a spouse earns \$120 and the employee does not participate, the Employee earns \$0. That dollar amount is averaged and a \$60 discount is given on the monthly health insurance premium.

Do employees or spouses need to complete Wellness Activities to maintain points?

Each level has a set requirement and reward. Points earned in each level roll over to the next level to help achieve the total required for that level and that level's reward. The more you participate in your Wellness Worx program, the more rewards you earn! Register on Aduro's Wellness Worx to learn more <https://boyd.adurolife.com/home>.

Are spouses eligible to earn Tango cards?

Yes, spouses have the same opportunities, requirements and rewards that employees have.

When will I receive my Tango card?

Once you have earned the required points, you will receive an email from Tango, to select your Tango card reward.

How can I screen?

Onsite screenings for employees and spouses are held each year in September, or you can use the LabCorp voucher and go to a LabCorp facility or submit an Annual Physical form. All biometric screening results completed between June 1 and November 30, 2023 will be accepted for the Level 1 screening requirements; this includes annual physical.

What if I am unable to meet the Risk Factor National Standards?

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable alternative standard consisting of additional wellness-based requirements. You may request information on how to obtain a reasonable alternative standard by contacting support@adurolife.com or by calling **888.857.0166**.

Will Health Coaching and Wellness Activities be offered in 2024?

Yes, both Health Coaching and Wellness Activities will continue to be offered virtually to help you achieve your Human Performance goals.

Who will know my results?

Aduro follows all HIPPA guidelines to protect your private health information. This includes all health assessment, screening results and any information shared during coaching. Your private health information will be kept private between you and your health coach. None of your information can be provided to any other parties including your spouse.

How do I contact Aduro if I need assistance or have questions?

If you have questions or need assistance with the Aduro Wellness Worx platform, please contact Aduro at support@adurolife.com or **888.857.0166**. If you have questions about your benefits, please contact the Benefits Team at benefits@boydcat.com.

Prescription Information and Savings

Important Information About Your Rx Coverage

- Your prescription coverage is an important part of your benefit plan.
- Carelon Rx is an Anthem company that will help you get the most from your drug plan.
- You can manage your pharmacy and health plans at [anthem.com](https://www.anthem.com) and Anthem Sydney (mobile app). You can find a doctor or pharmacy, refill a prescription, learn about drug costs and lots more.
- Carelon Rx is available 24/7 at the Pharmacy Member Services number on your ID card.

Dispense as Written

When a generic equivalent is available for a brand drug and the member or member's physician requests the brand instead of the generic (DAW1 or DAW2), the member is responsible for the brand drug copay plus the difference between the generic and the brand.

How to Save Money on Prescriptions

No matter which of our medical plans you have enrolled in, you should take note of the many ways to save on prescription drugs. As you can see below, there are several ways to save by taking advantage of free or discount prescriptions, at GoodRx, Optum Perks, Health Warehouse, Kroger Rx and Walmart. All of these options offer great savings for you.

- GoodRx—Get the app for your phone and search for medications
- Optum Perks—Optum Perks is a free program and is accepted at over 64,000 pharmacies
- HealthWarehouse—Accredited and certified program in all 50 states
- Kroger—Kroger Rx Savings Club offers over 100 common prescriptions for free, \$3, or \$6
- Walmart—Walmart offers medications for \$4 on 30-day supply or \$10 for 90-day

Health Savings Account (HSA)—Voya

Employees electing the high deductible health plan (HDHP) can contribute up to \$4,150 (single) or \$8,300 (family) in a health savings account (HSA). Your account is owned by you and is funded by you with tax-exempt dollars to help pay for eligible medical expenses not covered by your insurance plan (deductibles, coinsurance). **You can set-up an HSA or change your current contribution at any time.** The health savings account (HSA) is administered by Voya.

HSA Contribution Company Match!

The Company will contribute up to \$520 annually to your Health Savings Account, as a dollar for dollar match (up to \$20 per pay period).

What is a Health Savings Account?

- An alternative to traditional health insurance when combined with a HDHP
- A savings product which offers a different way for consumers to pay for their healthcare
- Enables you to pay for current health expenses and save for future qualified medical and retiree health expenses on a tax-free basis
- Can only be utilized with a QHDHP (qualified high deductible health plan)
- Allows you to be in control of your medical expenses

IMPORTANT You cannot contribute to a Health Savings Account if you are enrolled in any government-sponsored program. (Medicare, Medicaid, TRICARE, etc.) per IRS regulations.

How Does the Health Savings Account Work?

Once your health savings account is opened, you will receive a bank card which will allow you to pay for qualified medical expenses. If you want checks you may also request them but there is a nominal fee required.

If you are electing an HSA for the first time, you must create an account with Voya at myhealthaccounts.voya.com.

For a list of eligible HSA expenses, visit [IRS.gov](https://www.irs.gov).

Why a Health Savings Account (HSA) May Be an Excellent Choice for You

- It saves you money—73% of the population spends \$500 or less on healthcare-related expenses; an HSA is paired with an HDHP (high-deductible health plan), which has a much lower premium than a traditional health plan
- It's portable—you take it with you from job-to-job
- It's a tax saver—contributions are made with pre-tax dollars
- It allows for an improved retirement account—rollover of funds accumulate tax-free, as does the interest; plus, those ages 55 and older can make additional "catch-up" contributions
- You never lose unused funds; they always roll over to the next year

When Visiting a Physician, Hospital, or Other Facility

- When arriving for your appointment, provide them with your Anthem insurance card.
- After your visit, your claim will be submitted to Anthem for processing.
- After the healthcare provider has received notification from Anthem the claim has been processed, you will receive a billing statement outlining the balance you are responsible to pay.
- Use your bank card to pay for these expenses.

Health Savings Account (HSA)

When Going to the Pharmacy

- When picking up your medication, provide them with your Anthem insurance card.
- The pharmacy will run it through their system and provide you with a balance due.
- You then use your bank card to pay for these expenses at that time.
- Congress recently passed the Coronavirus Aid, Relief, and Economic Security Act (CARES). One provision within the CARES Act allows individuals to use money from pretax accounts (health savings accounts (HSA) and flexible spending arrangements) to purchase over-the-counter drugs. It also allows pretax purchase of menstrual products.

When thinking about your HSA contribution, it is important to think in terms of the following.

- What medical care and prescription drugs do I anticipate needing in the coming year and what will I need to pay for those expected medical expenses?
- Should I consider putting aside dollars on a pre-tax basis to pay for my out-of-pocket expenses?
- Is it important to me to be able to save money for healthcare when I retire?
- What will my total cost look like at the end of the year?

Example Savings at \$50,000 Annual Income

	Without an HSA	With an HSA
Total Income	\$50,000	\$50,000
HSA Contribution	\$0	-\$8,300 <i>(annually)</i>

HSA contribution used reflects the maximum amount an employee is eligible to contribute to an HSA in 2024 if the family coverage tier is elected.

Flexible Spending Accounts

Non-Participating Benefit

For employees who do not elect the company's medical insurance; this benefit pays \$500 annually or \$19.23 per pay period, which you can receive as an FSA contribution or cash.

Eligibility

DEPENDENT CARE FSA

All employees are eligible to participate in the Dependent Care FSA up to \$5,000.

HEALTHCARE FSA

The Healthcare FSA will be available to employees who are enrolled in the PPO plan or who waive coverage or are 65+ and on Medicare. There is a \$2,500 maximum contribution.

IMPORTANT For employees enrolled in the HDHP and also enrolled in Medicare, you can contribute to an FSA. You cannot contribute to a Health Savings Account if you are enrolled in any government sponsored program. (Medicare, Medicaid, TRICARE, etc.) per IRS regulations.

Important: Use Your FSA Contribution During the Plan Year

If you decide to contribute to the healthcare spending account or dependent care spending account, you must carefully determine your annual election amount and your spending during the plan year. According to IRS regulations, the money you set aside must be used for expenses incurred during the plan year in which you make the election. Any funds left in the account as of March 2025 will be forfeited.

You can use funds in your FSA to pay for certain medical and dental expenses, including copays and deductibles. See a list of eligible expenses at www.irs.gov/publications/p502.

The Benefits of Flexible Spending Accounts

You have your choice of two accounts which allow you to set aside money on a pre-tax basis to pay for medical expenses or dependent care expenses.

Flexible Spending Account (FSA)	Dependent Care Flexible Spending Account (DCFSA)
<p>An FSA can be established to help you pay for unreimbursed medical, dental, and vision expenses for you and your dependents with pre-tax dollars. Eligible expenses may include deductibles, copays, orthodontics, glasses, and contact lenses. Eligible expenses must be incurred during the plan year.</p> <p>For a complete listing of eligible medical expenses and regulations, log on to the IRS web site at www.irs.gov. IRS Publication 502, "Medical and Dental Expenses."</p> <p>Contributions: Minimum—\$100/year Maximum—\$2,500/year</p>	<p>A DCFSA can be used to help you pay for expenses you incur with child and elder care in order for you to work. Eligible expenses include the amount you pay for a babysitter, daycare, senior care, or other service inside or outside of your home for the care of your dependent children under the age of 13 or eligible dependent parent.</p> <p>For a complete listing of eligible dependent care expenses and regulations, log on to the IRS web site at www.irs.gov. LiveHealth Online Psychology

An Easy, Convenient Way to See a Therapist or Psychologist in Just a Few Days

If you're feeling stressed, worried, or having a tough time, you can talk to a licensed psychologist or therapist through video using LiveHealth Online Psychology. It's easy to use, private, and in most cases, you can see a therapist within four days or less. All you have to do is sign up at livehealthonline.com or download the app to get started. The cost is similar to what you'd pay for an office therapy visit.

LiveHealth Online Psychology

What Conditions Can be Treated When You Have a Visit With a Psychologist or Therapist?

You can get help for these types of conditions.

- Stress
- Anxiety
- Depression
- Family or relationship issues
- Grief
- Panic attacks
- Stress from coping with a sickness

How Much Does a Therapist Visit Cost?

The cost should be similar to what you would pay for an office therapy visit, depending on your benefits, copay, or coinsurance. You will see what you owe before you start a visit and any cost is charged to your credit card. The cost is the same no matter when you have the visit—whether it's a weekday, the weekend, evening, or a holiday.

How Do I Decide Which Therapist to See?

After you log in at livehealthonline.com or with the app, select LiveHealth Online Psychology. Next, you can read profiles of therapists and psychologists. Once you select the one you would like to see, schedule a visit online or by phone. At the end of the first visit, you can set up future visits with the same therapist if both of you feel it's needed. You always have the choice of the therapist you want to see.

What Else Do I Need to Know About LiveHealth Online Psychology?

- You must be at least 18 years old to see a therapist online and have your own LiveHealth Online account
- Psychologists and therapists using LiveHealth Online do not prescribe medications
- Visits usually last about 45 minutes

Anthem.com

Anthem.com is an online resource which can provide you with details on your personal coverage and benefit usage details along with a library of health tools.

To register, go to www.anthem.com and register on the right side of the screen where you see "Members Log In." Take time to explore. The site has been updated recently and is full of valuable information.

One of the new features gives you the ability to compare costs of specific tests or procedures in your local area and therefore, make an informed decision on the facility you wish to utilize.

When you select a procedure which shows costs, you'll view cost for a list of hospitals and other medical facilities which are in-network in your search area. Depending on the services you'll need, your price for the services will typically fall somewhere within the minimum and maximum range.

You can also view your personal health record. Your personal health record lets you securely gather, store, and manage information about your health in one place. You can store information about your medical conditions, doctor visits, and medications. You can also see details of your current usage of benefits.

Download the free Sydney Health mobile app today. You'll be able to check your symptoms when you're sick and connect to care directly from your mobile device.

What is an Explanation of Benefits (EOB)?

An explanation of benefits (EOB) statement is a notification form which is sent to members when a healthcare claim is processed, indicating a member's remaining financial responsibility. This would not include any copays due by you to the provider.

This statement shows the expenses submitted by the healthcare provider and how the claim was processed.

Life & Disability Benefits—New York Life

Short Term and Long Term Disability

Short term and long term disability are benefits paid to employees for a non-work-related injury or illness (work-related injuries or illnesses may fall under workers' compensation).

Elimination periods and benefit maximums as defined by the policy will apply. Proof of disability must be submitted upon request to maintain eligibility to receive this benefit.

SHORT TERM DISABILITY

Hourly Employees

The Company pays the premium for a basic short term disability benefit of 40% of your weekly earnings to a maximum benefit of \$550 per week.

You are eligible to purchase buy-up coverage. You may elect an additional 20% of coverage based on your weekly earnings to a maximum benefit of \$1,000 per week.

Salaried Employees

The Company pays the premium for a basic benefit of 40% of your weekly earnings to a maximum benefit of \$1,153 per week.

You are eligible to purchase buy-up coverage. You may elect an additional 20% of coverage based on your weekly earnings to a maximum benefit of \$2,307 per week.

Long Term Disability

The Company also provides a basic long term disability benefit equal to a portion of your monthly earnings up to a monthly maximum as defined by the policy.

Life Insurance and Accidental Death and Dismemberment (AD&D)

LIFE INSURANCE

These benefits are provided at no cost to you.

The Company pays the premium for life and accidental death and dismemberment coverage for all employees. The purpose is to guarantee each employee term life insurance in the event of an active employee's death or dismemberment.

Insurance will be reduced by 50% on the January 1 following your attainment of age 70.

ACCIDENTAL DEATH AND DISMEMBERMENT

Your AD&D coverage equals the amount for which you are insured under the basic employee term life coverage.

- Additional amount payable for loss of life as a result of an accident in a private passenger car while using a seat belt is the amount equal to the lesser of 10% of your amount of insurance or \$25,000
- Additional amount payable for loss of life as a result of an accident in a private passenger car equipped with an airbag is the amount equal to the lesser of 5% of your amount of insurance or \$5,000
- Excludes ATVs

Voluntary Life and/or Voluntary Accidental Death and Dismemberment—New York Life

These benefits are paid by the employee.

Eligibility*

- **Employee eligibility requirement:** you must be actively at work (able to perform all normal duties of your job) and have completed your 30-day benefits eligibility period to be eligible for coverage.
- **Dependent eligibility requirement:** to be eligible for coverage, your dependents must be able to perform normal activities and not be confined (at home, in a hospital, or in any other care facility).
- **Minimum work hours:** you must be working a minimum of 30 hours per week to be eligible.
- **Coverage payment:** you pay 100% of the premium for this coverage through easy payroll deduction.

Coverage Guidelines

Employee	Spouse	Dependent
Coverage Amount		
<ul style="list-style-type: none"> ● You may choose to purchase benefits in increments of \$10,000 ● Not to exceed 5 times annual salary or \$500,000 	<ul style="list-style-type: none"> ● You may choose to purchase benefits in \$5,000 increments ● The lesser of 50% of the employee life amount or \$250,000 	<ul style="list-style-type: none"> ● Live birth to 14 days: \$1,000 ● 14 days to 6 months: \$1,000 ● 6 months to 19 years (26 if full-time student) ● Purchase in \$1,000 increments up to the lesser of 100% of the employee life amount or \$10,000
Employee must elect coverage for spouse and dependent to be eligible		
Age Reductions		
65% at age 70; 45% at age 75; 30% at age 80; 20% at age 85		
Coverage terminates at retirement		

* There is no medical underwriting at any time for voluntary AD&D coverage, so employees can elect coverage up to \$500,000 (not to exceed five times their annual salary)—their spouses can elect 50% of the employee’s amount.

This year we will have a true open enrollment for Life and Accidental Death and Dismemberment. Eligible employees can elect up to the guaranteed issue of \$200,000 for employee and up to \$50,000 for spouse without going through underwriting for approval. The cost for Voluntary Life and Voluntary Accidental Death and Dismemberment can be found on the next two pages.

Important!

If you need to make changes to your voluntary life and/or voluntary AD&D coverage, you will need to complete the Voluntary Life and Accidental Death & Dismemberment Enrollment form, found on the Open Enrollment page of the My Boyd Benefits site and send to benefits@boydcat.com.

Voluntary Term Life Rates

Multiply rate by 12 and divide by 26 to get your bi-weekly payroll deduction. Premiums subject to variance due to rounding.

Note: If you elect an amount over the \$150,000 guaranteed issue for yourself or over \$50,000 for your spouse, you will be required to complete an evidence of insurability (EOI). Elected amount for spouse cannot be greater than 50% of employee's elected amount.

There is no medical underwriting at any time for voluntary AD&D coverage. Employees can elect coverage up to \$500,000 (not to exceed five times their annual salary) while their spouses can elect 50% of the employee's amount.

Worksite Benefits—Cigna

Who Can Elect Coverage

- You: All active, full-time Employees regularly working a minimum of 30 hours per week, who are United States citizens and permanent resident aliens, regularly working and residing in the United States and their US citizen Spouse and Dependent Children who are residing in the United States.
- Your Spouse: Up to age 70, as long as you apply for and are approved for coverage yourself.
- Your Child(ren): Birth to 26; 26+ if disabled, as long as you apply for and are approved for coverage yourself.

Critical Illness

Critical Illness insurance pays a lump sum benefit directly to the covered person, unless otherwise assigned, if they are diagnosed with a covered critical illness, or specified disease condition. This plan can help ease some of your financial worries so that you can stay focused on your health.

You choose how to spend or save your benefit. It can be used for expenses such as:*

- Paying for child care or helping around the house
- Copays and deductibles
- Travel costs to see a specialist
- Prescription drug costs
- Medical treatment and doctor visits

* These are examples only and may not be covered under the specific group critical illness policy offered by your employer. Exclusions and limitations may apply. Coverage is subject to terms and conditions outlined in the group policy. Refer to your plan Benefit Summary for more information about the coverage under your specific critical illness plan.

Accidental Injury

Accidental Injury insurance pays a fixed benefit for broad range of injuries or treatments associated with a covered accident.

You can use the money however you'd like. For example, benefits can help pay for out of pocket expenses for:

- Initial and emergency care
- Hospitalizations
- Fractures and dislocations
- Follow-up care

Hospital Care

Hospital Care insurance pays a fixed benefit paid directly to the covered person, unless otherwise assigned, for covered hospital** stays resulting for a covered injury or illness.

You can use the money received from the hospital stay to help pay for:

- Paying for child care or help around the house
- Copays, deductibles, or coinsurance
- Travel costs to see a specialist
- Follow-up care

** The term "hospital" does not include a clinic, facility, or unit of a hospital for: (1) rehabilitation, convalescent, custodial, educational, hospice, or skilled nursing care; (2) the aged, drug addicts, or alcoholics; or (3) a facility primarily or solely providing psychiatric services to mentally ill patients.
